

Concordia Multi-faith Chaplaincy

Fall 2009

Chaplaincy...

It's more than you
think!

Who are we?

Multi-faith Chaplaincy at Concordia University exists within the academic community to nurture faith, spirituality and social responsibility, and to provide a pastoral presence, especially for students. Through ministries of service and presence, the chaplaincy team works to accomplish this mission in a variety of ways:

We foster personal growth in areas of faith and spirituality;

We work to foster experiences of community;

We endeavour to make explicit the individual sense of the holy;

We foster interfaith collaboration and offer opportunities for exchange and dialogue.

Chaplaincy works cooperatively within the university and in the community-at-large to support our students and the university community in their academic endeavours and their personal and spiritual journey.
